

From the author of *24 Hours That Changed the World* and *The Journey*

ADAM HAMILTON

A painting of a person's feet in sandals standing on a beach with waves washing over them. The person is wearing a dark, long-sleeved garment and a light-colored, knee-length skirt. The sandals are dark with multiple straps. The water is a mix of blue, green, and white, with white foam washing over the feet. The background is a warm, golden-brown color, suggesting a sunset or sunrise.
